

**Center of Genomics and Bioinformatics
Academy of Sciences the Republic of Uzbekistan**

INFORMATION LETTER

Dear colleagues!

We invite you to take part in the Republican scientific conference "Modern problems of genetics, genomics and biotechnology", which will be held on **May 18, 2022**.

Main scientific directions of the conference

1. Genomics, proteomics, bioinformatics;
2. Human, plant and animal genetics;
3. Molecular biotechnology.

Deadline for submission of abstracts.

Applications for participation in the conference should be sent by **April 10, 2022** to the email address cgbconference22@gmail.com

Languages of the Conference: English, Russian.

Accepted abstracts will not be reviewed.

Following the results of the conference, an electronic publication of the collection of conference materials is planned. The organizing committee reserves the right to select texts for publication. Texts that do not meet the requirements are rejected without agreement.

Requirements for the design and writing of articles:

The text of the materials is submitted in electronic form in *.rtf format, the file name is the surname of the first author. **For example, Sobirov.rtf.**

Each abstract must be submitted as a separate file and sent by e-mail to the organizing committee.

Editor - Microsoft Word, page settings - A4 format, font - Times New Roman. Margins: top - 2 cm, bottom - 2 cm, left - 3 cm, right - 1.5 cm. The volume of the thesis - no more than 2 pages.

Thesis title: capital letters, 14 pt, line spacing - 1.0, bold font, center alignment.

Authors: Full name, lowercase letters, 14 pt, line spacing - 1.0, normal font, link icons (if necessary) after the surname, underline the speaker's surname; center alignment.

Name of organization: full official name, address, e-mail: lowercase letters, 12 pt, line spacing - 1.0, center alignment.

The main text of the thesis: lowercase letters, 14 pt, line spacing - 1.5, page width alignment, word wrapping can be used. Paragraph - 1 cm, do not use tabulation. **The text should not contain tables and figures.** Latin names of the research object should be written in *italics*.

Registration form of the conference participant

(18 May 2022.)

1	Full name:	
2	Academic title, degree:	
3	Post:	
4	Organization:	
5	Organization's address:	
6	A country:	
7	Telephone:	
8	E-mail:	
9	Title of the report:	
10	Scientific direction	

Fill out the application and send it as a separate file, signed by the name of the first author: *Familiya_zayavka.rtf*, to the email address cgbconference22@gmail.com

THESIS TITLE

Full name., Full name.,

Organization

111111, Uzbekistan, Tashkent region, str.....
